

SDMS Membership – Your Best Career Investment!

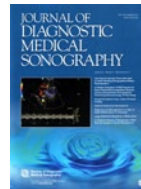

Serving over
25,000
members

Publications

Journal of Diagnostic Medical Sonography (JDMS)

Each issue of our bi-monthly journal contains case studies, abstracts, research articles and CME article(s) (complete the online CME test for FREE.)

Long Term Care Insurance

LTC Global offers a program to assist SDMS members with expenses not covered under ordinary health insurance and Medicare, due to disability or chronic illness.

Mortgage Services

Supreme Lending can save SDMS members money each time they buy, sell or refinance a home.

And other discount programs from CDW, Dell, VPI Pet Insurance, and more...

Career & Leadership Development

Professional Development

Online access to important information on maintaining and advancing your career (ie., model job description, Scope of Practice, Code of Ethics and SDMS Position Statements.)

Discussion Forums

Online access to discussion groups for specialty and interest areas including a forum for educators, students and job postings. The discussion forums provide a PERFECT networking opportunity for SDMS members.

SDMS CME Management System - CME Credit Applications

Substantial discounts to CME providers on SDMS CME credit application processing fees.

Legislative & Regulatory Representation

SDMS provides representation on issues that affect the sonography profession. The Society rigorously monitors federal and state legislative initiatives with sonographer/patient interests as the guiding principle. SDMS provides a united voice for sonographers.

SDMS WorkZone

Online access to information about preventing work-related musculoskeletal disorders.

Societal Involvement

Every active SDMS member has an opportunity to influence leadership decisions and Societal direction. Get involved as a:

- SDMS Board of Directors member
- SDMS Committee member

Career Information Resources

Sonography career information available in several formats (online brochure, video and iTunes podcast) for recruiting students to the Diagnostic Medical Sonography profession.

Educational Resources

Certification Preparation Products

We offer products to help you take the guesswork out of your preparation for the sonography certification examinations:

- National Certification Examination Reviews
- National Certification Examination Simulations
- Flashcards

SDMS Medicare Reimbursement Policy Directory

SDMS tracks more than 1,100 reimbursement policies relating to diagnostic medical sonography. Our simple-to-use interface allows you to select your state (or sub-state area) to locate a specific policy.

Books, CD-ROMs, DVDs, Promotional Items

- Registry Reviews
- Textbooks
- Medical Ultrasound Awareness Month
- Sonography Pride

SDMS Sonographer Salary and Benefit Survey Report

Are you earning what you deserve? This extensive report, representing an unparalleled source of sonographer salary and benefits information, is available online - FREE to all members.

SDMS Sound News

Monthly email alert system bringing late-breaking news and special announcements to SDMS members.
